

Appendix A. HASP Linkage Document

Topic	HSSE Program Incorporated by Reference
BC Health & Safety Program (100 Section – BC Procedures)	
101. Incident and Investigation Reporting	x
102. Ergonomics	
103. Vehicle Safety	x
104. Health and Safety Audits and Inspections	x
105. Emergency Action Plans	x
106. OSHA Inspections	
107. Subcontractor Management and Prequalification Process	x
108. Office Safety	
109. Travel and Neighborhood Safety	
110. First Aid and CPR	x
111. Drug Program	
112. Heat Stress	x
113. Cold Stress	x
114. Drilling Safety	x
115. Trenches and Excavations	x
116. Confined Space Entry	x
117. Electrical Safety	x
118. Arc Flash	
119. Lockout/Tagout	x
120. Marine and Open Water Safety	x
121. Concrete and Masonry	
122. Bloodborne Pathogens	x
123. Hazard Communication	x
124. Cranes, Hoisting and Rigging	x
125. Scaffolds	
126. Fall Protection	x
127. Hand and Power Tools	x
128. Heavy Equipment	x
129. Welding and Cutting	x
130. General Field Health and Safety Practices	x
131. Ladder, Stairways and Ramps	x
132. Traffic Control	x
133. Underground Construction	
134. Fire Protection	x
135. Demolition	
136. Steel Erection	
137. Process Safety Management	
138. Silica	
139. Aerial Lifts	x
140. Ordnance Explosives	
141. Health and Safety Plans	x

Appendix A. HASP Linkage Document

Topic	HSSE Program Incorporated by Reference
142. Personal Protective Equipment (PPE)	x
143. Respiratory Protection	x
144. Noise and Hearing Conservation	x
145. Employee Medical Surveillance	x
146. Monitoring Equipment Calibration	x
147. Decontamination	x
148. Site Control	x
149. Shipment of Hazardous Materials	
150. Asbestos	x
151. Lead	
152. Safe Drum Handling	x
153. Emergency Response	x
154. OSHA Regulated Materials	
155. Radiation Safety	x
156. Chlorine	
157. Employee Exposure Monitoring	x
158. Petrol Storage	
159. Health and Safety Training	x
160. Biological Hazards	x
BC Health & Safety Program (200 Section – BP RM Defined Practices)	
201. Control of Work – RM Defined Practice	x
205. Control of Work Permit – RM Defined Practice	x
208. Control of Work Training and Competence Assurance – RM Defined Practice	x
210. Contractor HSSE Management and Assurance – RM Defined Practice	x
215. Confined Space – RM Defined Practice	x
220. Energy Isolation – RM Defined Practice	x
225. Environmental Drilling – RM Defined Practice	x
230. Ground Disturbance – RM Defined Practice	x
235. Health and Safety Plan – RM Defined Practice	x
240. Heavy Equipment – RM Defined Practice	x
245. Hot Work – RM Defined Practice	x
250. Lifting Operations – RM Defined Practice	x
255. Management of Change – RM Defined Practice	x
260. Overhead Utilities – RM Defined Practice	x
265. Simultaneous Operations (SIMOPS) – RM Defined Practice	x
270. Standard Operating Procedure (SOP) Requirements for Routine Work – RM Defined Practice	x
275. Stop Work – RM Defined Practice	x
280. Daily Toolbox Meeting – RM Defined Practice	x
285. Work Risk Assessment – RM Defined Practice	x
290. Working at Heights – RM Defined Practice	x
